HOT SHOTS

The anticipation surrounding HOT SHOTS Calendar 2013 has reached fever pitch and no wonder! Shot in LA, we're now thrilled to present its latest incarnation inspired by 1950's pin-up's. Thank goodness for the 1950's, it was not just a great decade for glamour but the decade that modelling was established as a profession. Something that Edgar Brothers has been able to take full advantage of with this curvaceous, feminine and sexily themed show stopper. Once again, our annual tongue-in-cheek offering creates an exclusive setting for Edgar Brothers brands and weapons with a twist on the kit that you'll never see in the field. This year, duty calls up forces favourites Rosie Jones, Hollie Peers, India Reynolds and new girl Emily O'Hara and back by popular demand Kelly Hall and Sam Cooke.

Whether you are a rebel or patriot we got a mag wrap for you.

Our new Don't Tread On Me wraps are updated for 2015. DTOM was the brainchild of Benjamin Franklin's Join, or Die cartoon in 1754. The cartoon inspired the American Revolution to grow. We hope our new DTOM inspire you to push back the status-quo and stand up for your rights and the rights of your neighbors.
